If you would like to arrange your own accommodation, please use the information below to research and find an option that is suitable for you.

Study Group does not promote any of the following properties; this factsheet has been compiled to assist you in finding a room, however, availability cannot be guaranteed.

Long-term Options

Lancaster University have established an approval scheme for off-campus, private accommodation so all students wishing to make their own arrangements can find safe, good-quality housing.

All of the properties listed on the following website have been checked to ensure that they comply with safety legislation, and that they meet the minimum standards for quality and management.

Please note that if you sign a Tenancy Agreement you are agreeing to the terms and conditions of that provider. This is a legally binding contract that may tie you in to a fixed period of time, even if you leave the university. Many private providers will require for you to pay your yearly rent payment in full, in advance, unless you have a UK guarantor.
